PRESS RELEASE
10 years PANGLOBE

PANGLOBE celebrated its 10-year anniversary on Thursday, October 15, together with customers and associates. The company, which has its headquarters in Nicosia and offices in Hong Kong, provides corporate administration and consulting services, mainly to overseas clients. It also offers serviced offices and support services to a large number of enterprises through its specially-designed Business Centre of over 1,000 sq.m..

In his opening speech, the Managing Director, Mr. Michael Constantinides referred to the most important milestones in the company's 10-year journey and announced that it will soon be present in the United Arab Emirates, with offices in Dubai. Former President of Cyprus, Mr. George Vassiliou addressed the event.

In the context of corporate social responsibility, PANGLOBE has, in the past few years, been supporting the Sophia Foundation for Children by participating in its "I Cook and I offer" programme. The event played host to a photo exhibition by Marina Shacolas, while guests received a copy of her 'Green Room' book, which will be launched soon. All proceeds from the purchase of the books were donated to the Sophia Foundation for Children.
